

# WALL-MOUNTED HEATED TOWEL RACK WITH DIGITAL DISPLAY

EM  
TO

EB-EWA335

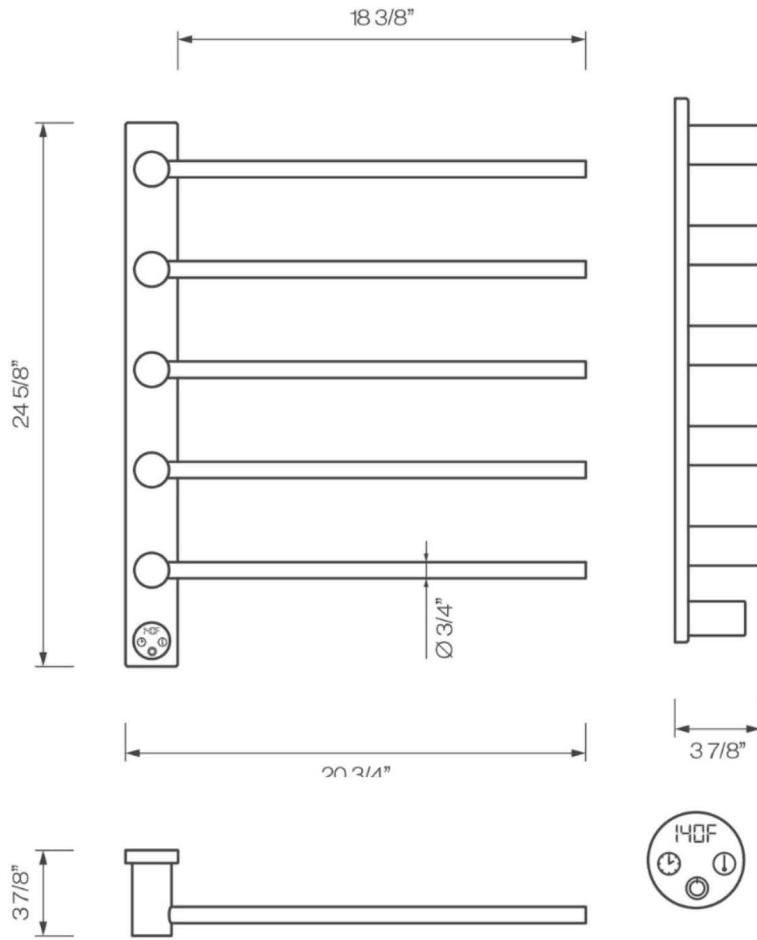

Compact in form and refined in proportion, this wall-mounted towel warmer features five horizontal rods arranged in a clean linear layout that optimises usable space. Its measured width complements a range of interiors while maintaining a minimal presence. Carbon fibre heating technology provides even, consistent warmth across each rod, supported by precise digital controls. Hardwired for seamless installation, it offers reliable performance and comfort for everyday use.
